**Parent Helpers** - We love our parents to help out, especially on craft nights. All parent helpers need to get a WWCC that is free for volunteers online. Also fill out an A2 Scouts form <https://www.nsw.scouts.com.au/members-services/state-forms/>. We are all volunteers at Scouts so your help is most welcome, whether it's helping with crafts, supervision, cleaning up the hall at the end of the night and or wiping down surfaces.

Our caps (\$15.00) are available to buy at the hall. The caps are a must in summer as we do lots of outdoor activities. The calico bags (\$5.00) are for snacks, water bottles and jumpers etc. Please write your child's name on the front of the bag so it's clearly visible. We will get them to hang them on the hooks when they come in. Please put sunscreen on your child before they come for outdoor activities.

**Snacks** - Please don't forget to bring a water bottle and snack for your child each night. We don't supply snacks.

Please be ontime when dropping off and picking up your child. We endeavour to start and finish on time.

We have a Cub group that starts straight after we've finished our night.

**Covid** - All parents that enter the Scout Hall, even for only a short time, must sign in with the Service NSW app on the front door and use the hand sanitiser. All the Joeys will be asked to use the hand sanitiser also.

**Facebook** - This is a closed group. We put most of our communication on there and photos of the night. If the weather looks like it might rain, and we have a scheduled outdoor activity, it will probably be moved to the hall. Please check on FB before you come to find out.
